PRESS RELEASE

GRANUM ENTERS THE GERMAN MARKET WITH HEALTHY SEED & NUT BUTTERS

NUREMBERG - February 13, 2019

Granum will be launching their line of organic Oil, Vinegar, Protein Crackers, Seed and Nut Butters at this year's Biofach . Visitors will have an opportunity to learn more about and taste of these product such as: Sunflower butter, Naturela (Carob)spread, Pomegranate Vinegar, Sweet and Salty Crackers.

Granum has succeeded with their health food line in creating products that are not only delicious but 100% natural; free of additives, preservatives, and trans fat and are also gluten free and vegan.

Granum's product line comprises edible, cosmetic and medicinal oils, including **Pumpkin Seed, Flaxseed, Hemp, and Chia Oil**; a dozen seed and nut butters; balsamic vinegars including **Pomegranate and Raspberry Vinegar**; protein powders; **Protein Crackers (Sweet and Savoury)**; and seed bars; as well as a range of natural beauty products.

*About: **Suncokret Ltd** (Sunflower LLC) is a family owned and operated company founded in 1989 in Northern Serbia. Our innovative approach to the development of our products has helped us to grow into one of the leading health food companies in the Balkan region and Europe.*

The company promotes highest standards of quality, sourcing ingredients, production methods and packaging.
