

**India's Pioneer
Organic Food Company**

<https://www.pureecoindia.in/best-organic-natural-suppliers-in-india>

We produce and produce the purest

We take pride in the fact that we are INDIA's Pioneer Producer of Organic Food and we are looking to have more partnerships.

"Nature Pearls Private Limited" is one of India's prominent producers of organic food and was recognized as "Best Company - Organic Exports (Food)", at the Jaivik Award 2018, a prestigious award ceremony for the Indian Organic Industry, organized by the International Competence Center for Organic Agriculture (ICCOA).

The dedicated Organic & Fair trade food business company founder, Ajay Katyal is a veteran of the in a Global organic industry, having worked in organic business for 20 years. Nature Pearls selective & seasoned organic farming experts help it **11000 Organic contract Farmers possessing 18000 Hectare of organic farmland**, in producing organic produce of pure and best quality. The company projects are scattered across whole India except eastern region.

Currently exporting to 10-12 countries across the developed world, Nature Pearls offers certified organic products both under the Nature Pearls brand, as well as for Private Label brand / Bulk.

"Customers can count on the quality of our products, as well as timely deliveries at competitive prices, along with the continual addition of innovative products" says Tarun Sethi International - Sales & International Sales and Marketing, Nature Pearls.
