PRESS RELEASE

Anthea Organics hand-picks herbs and stars!

3 stars award winning company of premium Greek herbal teas expands to further European nations.

Anthea Organics is a Thessaloniki based **company that specializes** in premium loose leaf **tea** from some of the finest organic plantations in Greece. The company is proud to announce that they have been awarded 3 stars by the Great Taste Awards 2019.

A 2017 start-up, the company exports products to Germany and Austria U.K. and Finland. Eleonora Goudaki, the founder of Anthea Organics says: “Scientific evidence concerning the herbs’ medicinal properties and the outmost respect for the environment and human life have sparked our interest and have motivated us to set up our company”.

For thousands of years, cultures around the world have brewed herbs for enjoyment and to ease ailments. By carefully hand harvesting their teas and by establishing a direct relationship with the growers, Anthea Organics upholds their commitment to offering a high quality selection of teas that are unique, while treating people and the planet with respect.

The herbs are hand-picked, dried in ideal conditions and carefully maintained and standardized. The herb leaves are preserved whole, ensuring that the unique aroma and the beneficial plant properties are intact in each package.

Eleonora Goudaki, shares her vision with us: “Our vision is to select for you the best organic herbs from the Greek land - herbs that are exquisite because of their exceptional aroma and flavor as well as their unique beneficial properties”.

All Anthea herbal teas and blends come from organic crops and are officially certified. They do not contain additives, flavors, or preservatives and can be served as **SUGAR-FREE, CAFFEINE-FREE beverages**. They can be stored in a dry and cool environment for up to two years.

We hope you enjoy the Anthea experience!
